If coming from the west (traveling on I 240 E.)

Take the Charlotte Street Exit. Go straight through the intersection at Charlotte Street. The building is immediately on your left. I would recommend using the third or fourth driveways, since most of traffic coming off the Charlotte Street is using that section as an entrance ramp – and may not be anticipating stopped or turning traffic.

If coming from the east (traveling on I 240 W.)

Exit at the Charlotte Street Exit. Stay in the left most left turn lane on the exit. When turning on to Charlotte **stay in the left turn lane (center lane)**. Turn left immediately after you cross the bridge. You'll be on the entrance ramp for I 240 E. – the building is immediately on the left in the first block.

I would recommend using the third or fourth driveways, since most of traffic coming off the Charlotte Street is using that section as an entrance ramp – and may not be anticipating stopped or turning traffic.

If you use the 3rd or 4th driveways, you'll be in the east parking lot. The entrance closest to my office is from this parking lot.

Go up one and a half flights of stairs – turn left and the office is at the end of the hall.

From the main entrance, go up one flight of stairs and turn left. Continue until the hallway ends, turn right, and the office is at the end of the hall.
